

## INVITATION

Bringing Hope, Healing and Restoration

Dear friend,

CYARA would like to invite you to join us in our very first online world day of prayer, starting at midday CET on Saturday the 12<sup>th</sup> of December 2020 and finishing 24 hours later.

Your participation can be for a few minutes or the full 24 hours.

All you will need is a good internet connection, some free time and a heart for Jesus.

We firmly believe in the power of prayer and that God is active in our world.

*Jesus said, "Truly I tell you that if two of you on earth agree about anything they ask for, it will be done for them by my Father in heaven. For where two or three are gathered in my name, there I am with them." - Matthew 18: 19-20.*

Covid 19 has affected so many of us, in so many different ways, all around the world. The needs are great. We may not all be in the same boat, but we are all weathering the same storm.

As Christians, we are called to love our neighbour and praying together, in unity with God, is one way we can make a real difference.

If you feel that your church, home group or other fellowship community would be interested in joining us, please send us a contact name and e-mail address so we can begin to coordinate with you in more detail.

We are excited and greatly encouraged to join you at this difficult time and are aiming to link a minimum of 50 countries, across the globe, in prayer. We already have strong connections with many parts of the world and are eager to meet new Christian friends from other countries on this journey.

Please take time to pray as you consider joining us.

In Christ.

*"Rejoice always, pray without ceasing, give thanks in all circumstances; for this is the will of God in Christ Jesus for you."*
